EVANGELISM AND MISSIONS

THANK YOU!

For giving to Hurricane Florence Relief efforts. It was the most devastating natural disaster that NC has ever experienced with over 100,000 homes affected. We currently have a total of 6 sites, down from 14, that have recovery or rebuild operations working out of them. We are doing chainsaw, mud-outs, tear-outs, shock-wave/sanitation and putting tarps on roofs and we have begun rebuilding homes. This will be a long term response that will take 2-3 years and require thousands of volunteers to help get many people back in their homes. Your donation has made all of this possible. Thank you for praying, giving, and going!

REMINDER!

OPERATION CHRISTMAS CHILD SHOE BOX REPORT:

Chatham Heights Baptist Church, an area drop site, collected 1173 shoe boxes from churches, school groups, and individuals and delivered them to the Samaritan's Purse Distribution Center in Charlotte, NC. What a blessing to so many over seas children, and joy to the hearts of the ones who gave so graciously!

FELLOWSHIP OF CHRISTIAN ATHLETES:

For more than 15 years, Autos by Nelson owner, Barry Nelson, has brought professional athletes to schools in Henry Co, Patrick Co, and Martinsville through Sports World, Inc. The athletes encourage the students to make positive choices. In recent years, the HCBA through Fellowship of Christian Athletes has supported Nelson in bringing athletes to our area. Recently, Nelson received an award in recognition of his efforts, with the HCBA present for the award.

HORNE HOME

Kristen Weaver, a resident of our Horne Home, participates in the most unique day program of the more than 100 DDM residents of HopeTree Family Services. She cares for an array of wild and domesticated animals at the Infinity Acres Ranch in Ridgeway. They provide several animal education programs for schools, private groups, and also serves as a support service for individuals with intellectual disabilities. Kristen works with horses, doves, llamas, goats, kangaroos, and leads tours for visitors. The Horne Home's Manager, Ethel Flood who attends our Shiloh Missionary Baptist Church, says " this experience has been an excellent opportunity for Kristen to mature as a person. This program is so good for her. It really enhances her overall quality of life".

This & That...

Dear friends of the HCBA,

Thank you so much for the contribution to the Multiple System Atrophy Coalition in memory of David. I've been so impressed with the work of the Coalition in supporting patients and their families, and especially in funding research. David's philosophy was to do what he could to help scientists find a cure for this horrible disease. I'm so grateful you have chosen to remember him this way.

Sincerely,
Diane Adkins
